This letter is to confirmed our conversation on Monday, January 31, 1983. I would like to schedule my class to attend the February 22nd, at 10:00 a.m. showing of "Can I Speak For You, Brother?"

Enclosed is a check for \$10 to cover as a contribution for this endeavor. Also, please inform us of other activities that our students may attend.

We are definitely looking forward to the show, and I know it will be a rewarding learning experience for the children.
